Quality Ambassador DESIGNATION for

A.J.S. STEEL FRAMING

received in Madrid, in the year 2019
for the WORLD QUALITY COMMITMENT (WQC)

WORLD QUALITY COMMITMENT AWARD

Under the authority of BID Group Gm, it is a privilege to confer this appointment as Quality Ambassador, under the pledge to uphold the highest standards of Total Quality Management, embodied by the QC100 Total Quality Model, to meritorious masters of Quality and Excellence among business and organizational leaders, and to promote and design new strategies in the development of Total Quality Culture.

Quality Creed

As a Quality Ambassador, I will uphold and promote Quality Culture and serve as an ambassador for Total Quality Management, under the guidance of the QC100 Total Quality Model in the fulfillment of my responsibilities. I shall pursue excellence and efficiency, understanding and applying the guidelines and concepts established in the QC100 model, both as a mentor for Total Quality Management and in supervision of the internal policies in my own organization. As an appointed Quality Ambassador, I fully understand the responsibilities and authority of my commission as a proponent of Quality Culture. To that end, I shall continue myself to continuous improvement ideals and the pursuit of excellence.

Principles of the QC100 Total Quality Management Model

Commitment of A.J.S. STEEL FRAMING to Quality

Our company accepts quality as a factor of development to become more competitive.

A.J.S. STEEL FRAMING is committed to publicizing this Quality Culture with employees, suppliers, clients and the community, supported by the QC100 Total Quality Management Model, the principles of which are the following:

1 Quality is a consequence of valuing customer satisfaction and obtaining positive business results.

2 Meet the quality levels established in the company in accordance with the QC100 Points of Quality.

3 Encourage participation and teamwork for decision making.

4 Satisfy the needs of our clients and meet their expectations.

5 Provide human resources, both technical and economic, to achieve continuous improvement and respect for the environment.

6 Manage human resources in our company to achieve maximum potential.

7 Make employees aware of the importance of concentration on the most profitable areas of activity, to achieve the best business results.

The achievement of these seven principles by A.J.S. STEEL FRAMING will foster improvement for clients, employees, suppliers and all of the other persons who make up the company.

"And the fruits will satisfy what the flowers have promised."
